Items 8 b) and 8 d) – Resolution on dividend and record date

The Board of Directors proposes that the Annual General Meeting (AGM) resolve to approve a dividend payment of SEK 3.00 per share for 2011. The proposed record date for payment of the dividend is 3 April 2012. Should the AGM approve the motion, the dividend is scheduled to be distributed by Euroclear Sweden AB on 10 April 2012.

Statement by the Board of Directors pursuant to Chapter 18, Section 4 of the Swedish Companies Act (2005:551)

The Group's equity has been calculated in compliance with IFRS standards, as adopted by the EU, the interpretations of these (IFRIC) and Swedish law through the application of Recommendation RFR 1 from the Swedish Financial Reporting Board (Supplementary Accounting Rules for Corporate Groups). The Parent Company's equity has been calculated in accordance with Swedish law, applying recommendation RFR 2 of the Swedish Financial Reporting Board (Accounting for Legal Entities).

The Board of Directors has established that the company will have full coverage for its restricted equity after the proposed dividend. The Board of Directors considers that the proposed dividend is defensible based on the criteria contained in the second and third paragraphs of Section 3 of Chapter 17 of the Swedish Companies Act (nature, scope and risks of the business, consolidation requirements, liquidity and other financial circumstances). The Board would like to make the following comments pertaining thereto:

Nature, scope and risks of the business

The Board estimates that the company's and the Group's equity after the proposed dividend will be sufficient in view of the nature and scope of the business and the associated risks. In drawing up its proposal, the Board has taken account of the company's equity/assets ratio, historical and budgeted performance, investment plans and the general economic environment.

Consolidation requirements, liquidity and other financial circumstances

Consolidation requirements

The Board of Directors has made a general assessment of the company's and the Group's financial position and its ability to meet its obligations. The proposed dividend constitutes 4.7 per cent of the company's equity and 4.1 per cent of consolidated equity. The stated target for the Group's capital structure is a minimum equity/assets ratio of 30 per cent, and it is estimated that the Group will be able to maintain an interest coverage ratio of at least 2.0 also after the proposed dividend. In view of the current situation on the property market, the equity/assets ratio of the company and the Group is favourable. Against this background, the Board considers that the company and the Group are in a good position to take advantage of future business opportunities and withstand any losses that may be incurred. Planned investments have been taken into account in the proposed dividend payment. Nor will the dividend have any significant impact on the company's or the Group's ability to make further commercially motivated investments in accordance with the adopted plans. In the Parent Company, some assets and liabilities have been measured at fair value in accordance with Chapter 4, Section 14 of the Swedish Annual Accounts

Act. The impact of this measurement, which increased equity in the Parent Company by SEK -289m (77), has been taken into account.

Liquidity

The proposed dividend will not affect the company's and the Group's ability to meet its payment obligations in a timely manner. The company and the Group have good access to liquidity reserves in the form of short and long-term credit. Agreed credit lines can be drawn at short notice, which means that the company and the Group are well prepared to manage variations in liquidity as well as any unexpected events.

Other financial circumstances

The Board of Directors has assessed all other known circumstances that may be significant for the company's and the Group's financial position and that have not been addressed in the above. No circumstance has been discovered in the course of the assessment that would cast doubt on the defensibility of the proposed dividend.

Item 9 – Report on work of Fabege AB’s Nominating Committee ahead of the 2012 Annual General Meeting

Background

On 29 September 2011, it was announced that a Nominating Committee had been formed with representatives of the largest shareholders that had accepted the invitation to participate in accordance with a resolution adopted by Fabege’s 2011 Annual General Meeting. The members appointed to the Nominating Committee are: Bo Forsén (Brinova Fastigheter AB), Fredrik Grevelius (Investment AB Öresund), Eva Gottfridsdotter-Nilsson (Länsförsäkringar fondförvaltning) and Anders Rydin (SEB fonder). Bo Forsén has served as Chairman of the Committee. The four owners represent a combined total of approximately 27.2 per cent of the voting rights of Fabege at 31 January 2012.

The task of the Nominating Committee is to submit proposals to Fabege’s 2012 AGM concerning the following:

- Election of Chairman of the Meeting
- Election of Directors
- Election of Chairman of the Board
- Election of Auditor
- Fees to be paid to Directors
- Fees to be paid to auditors
- Resolution concerning principles for composition of the Nomination Committee

Nominating Committee’s work

The Nominating Committee held two minuted meetings and maintained continuous contact between these meetings. As the basis for the Committee’s work, all of the Directors were contacted, following which they gave their opinions on how the Board’s work was being conducted. The Nominating Committee also met the company’s Chairman of the Board, CEO and auditor to discuss the Board’s composition and working methods. The discussion with the CEO focused particularly on the Arena project and the need for assistance from the Chairman of the Board. According to the CEO, the project is highly resource demanding and the assistance of the Chairman in this specific project is of the utmost importance, so that Group management in general can focus fully on the company’s other business.

After having discussed the size and composition of the Board of Directors, the Nominating Committee proposes that the Board be reduced by one member to eight elected members without deputies. Following discussions with all of the Directors, the Chairman of the Board, the CEO and the auditor, the Nominating Committee has concluded that the work performed by the Board works well and that the competencies and experience of the Board members meet the requirements that can be placed.

The Nominating Committee proposes the re-election of Erik Paulsson as Chairman of the Board, and the re-election of Directors Oscar Engelbert, Eva Eriksson, Christian Hermelin, Märtha Josefsson, Pär Nuder, Mats Qviberg, Erik Paulsson and Svante Paulsson. Göte Dahlin has declined re-election.

The Nominating Committee has also discussed the independence of the Directors. The proposal concerning membership of the Fabege Board complies with all of the prevailing requirements in terms of the Directors' independence in relation to the company, company management and the company's major shareholders.

A more detailed presentation of the proposed Directors is available on the company's website, www.fabege.se (in the Appendix to Item 11 in the proposed agenda for the 2012 AGM).

With respect to the fees to be paid to Directors, the Nominating Committee proposes that fees will total SEK 2,555,000 (2,755,000), to be distributed as follows:

SEK 400,000 (400,000) to the Chairman of the Board,
SEK 200,000 (200,000) to other Directors not employed by the company,
SEK 835 000 (835,000) to Erik Paulsson as special remuneration for representing executive management in important projects – mainly Arenastaden in Solna – for the period up to the 2013 AGM, and
SEK 120,000 (120,000) as remuneration for work conducted by the Audit Committee, with the chairman receiving SEK 60,000 (60,000) and each of the two (two) members receiving SEK 30,000 (30,000).

By way of information, the registered auditing firm Deloitte AB, with Svante Forsberg as auditor-in-charge, was elected at the 2009 Annual General Meeting for the period until the Annual General Meeting 2013. Due to this, there is no need to elect auditors at the 2012 Annual General Meeting. Furthermore, the Nominating Committee proposes, as in the past, that the AGM resolve that remuneration to auditors shall be paid according to approved invoicing.

The Committee proposes unchanged principles governing its composition prior to the 2013 AGM, whereby the Nominating Committee shall consist primarily of one representative from each of the four major shareholders and that the composition of the Nominating Committee must be announced no later than six months prior to the AGM and that the Committee chairman will be the member who represents that largest shareholder.

Summary of Nominating Committee's proposal

The Nominating Committee proposes that Fabege's 2012 AGM resolves to:

- Elect Erik Paulsson as Chairman of the Meeting
- Appoint eight Directors with no deputies
- Re-elect Directors Oscar Engelbert, Eva Eriksson, Christian Hermelin, Märtha Josefsson, Pär Nuder, Mats Qviberg, Erik Paulsson and Svante Paulsson
- Re-elect Erik Paulsson as Chairman of the Board
- Approve Director fees totalling SEK 2,555,000, with the Chairman of the Board receiving SEK 400,000, each Director not employed by the company SEK 200,000, Erik Paulsson as special remuneration for representing executive management in projects SEK 835,000 and the audit committee SEK 120,000 for the work it performs
- Pay audit fees according to approved invoicing
- That the principles for appointing the Nominating Committee remain unchanged.

The Nominating Committee's complete proposals are included in the official announcement of the AGM. Additional information about the Directors is available on Fabege's website.

Company management is defined as the Chief Executive Officer and other senior executives. All Directors, with the exception of the CEO, are responsible for preparing a draft statement of principles governing remuneration and other terms of employment for company management, and for preparing decisions on the CEO's remuneration and other terms of employment.

The Board of Directors' motions concerning principles for remuneration and other terms of employment for management are as follows:

Remuneration should be market-based and competitive. Responsibilities and executed performance that are in the interest of the shareholders must be reflected in the remuneration. Fixed salary should be reviewed annually. In addition to fixed salary, remuneration may be paid for target-related performance. Such remuneration shall depend on the extent to which pre-defined targets have been achieved within the framework of the company's activities. The targets comprise financial as well as non-financial criteria. Any remuneration in addition to the fixed salary shall be subject to a ceiling and related to the fixed salary. Variable remuneration is limited to a maximum of three (3) monthly salaries. In the event of full target achievement, the variable remuneration paid to management may not exceed a total annual cost for the company of SEK 2.1m (excluding social security contributions), based on the current number of senior executives. Auditors' opinion in accordance with Chapter 8, Section 54 of the Swedish Companies Act (2005:551) concerning compliance with the Annual General Meeting's guidelines for remuneration of senior executives

**To the Annual General Meeting of Fabege AB (publ)
Corporate registration number 556049-1523**

Introduction

We have examined whether during the 2011 financial year the Board of Directors and the Chief Executive Officer of Fabege AB (publ) have complied with the guidelines for remuneration of senior executives, as approved by the Annual General Meeting held on 24 March 2010 and the Annual General Meeting held on 30 March 2011, respectively. Compliance with these guidelines is the responsibility of the Board of Directors and the Chief Executive Officer. Our responsibility is to submit an opinion, based on our examination, to the Annual General Meeting regarding whether the guidelines have been complied with.

The focus and scope of our examination

We conducted our examination in accordance with the standard RevR 8 Audit of Remuneration to Officers in Listed Companies. This means that we have planned and performed the audit to obtain reasonable assurance concerning whether the Annual General Meeting's guidelines have, in all material respects, been complied with. The examination has included a review of the organization for and the documentation supporting the remuneration paid to senior executives, new decisions that have been made regarding remuneration and a sample of payments made to senior executives during the financial year. We believe that our examination provides a reasonable basis for our opinion set out below.

Opinion

We are of the opinion that during the 2011 financial year the Board of Directors and the Chief Executive Officer of Fabege AB (publ) complied with the guidelines for remuneration of senior executives, as approved by Annual General Meeting on 24 March 2010 and the Annual General Meeting on 30 March 2011.

Item 14 – Resolution on authorisation of the Board to acquire and transfer own shares

A. The Board of Directors proposes that the AGM resolve to authorise the Board to make decisions concerning acquisitions of company shares subject to the following conditions:

1. Acquisitions may occur on the Stockholm Exchange.
2. Acquisitions may occur on one or more occasions, during the period until the next AGM.
3. Acquisitions may not exceed a number of treasury shares that results in the Group's total holdings after the acquisitions amounting to a maximum of 10 per cent (10) of all shares in the company.
4. Acquisitions may occur at a price per share that is within the registered price interval at any time.
5. Payment for the acquired own shares must be in cash.

B. The Board of Directors proposes that the AGM resolve to authorise the Board to transfer the company's treasury shares subject to the following conditions:

1. Transfers may occur on the Stockholm Exchange or in another manner by disapplying the pre-emptive rights of existing shareholders.
2. Transfers may occur on one or more occasions during the period up to the next AGM.
3. Transfers may occur of all treasury shares held by the company at the time of the Board's decision.
4. Transfers may occur at a price per share that is within the registered price interval at any time.
5. Payment for transferred shares shall be in cash, in kind, through offsetting of the company's debt or in another manner subject to terms and conditions.

The purpose of the authorisations according to A and B above is to continuously adapt the company's capital requirements and thereby improve shareholder value, and to be able to transfer shares as payment for or for financing any property or business acquisitions.

Statement by the Board of Directors in accordance with Chapter 19, section 22 of the Swedish Companies Act (2005:551)

The Board of Directors proposes that the AGM authorise the Board, during the period until the next AGM, to acquire a maximum of 10 per cent (10) of all shares issued in the company. The company currently owns a total of 3,166,488 treasury shares, or approximately 1.9 per cent of the total number of issued shares (no shares are proposed for redemption).

Based on the grounds stated in the Board's statement in accordance with Chapter 18, Section 4 of the Companies Act, pertaining to the proposed dividend, the Board finds that the proposed authorisation is justified with respect to the parameters stated in Chapter 17, Section 3, second and third paragraphs of the Companies Act (prudence rule).

Accordingly, the Board of Directors believes that the motion concerning authorisation is justified with respect to:

1. the requirements of the nature, scope and risks that the operations (of the company and the Group) impose on the size of the equity and
2. the company's and the Group's consolidation requirement, liquidity and position in general.

The Board of Directors is also to take into account that it is its duty, when exercising the authorisation, to prepare a new reasoned statement as to whether, considering the prevailing conditions, the acquisition of own shares being considered is justifiable pursuant to the provisions in Chapter 17, Section 3, paragraphs 2 and 3 of the Companies Act.

Resolution of this item in accordance with the Board of Directors' motion requires that the AGM resolution be supported by no less than two thirds of the votes cast and the shares represented at the AGM.

The Nominating Committee's reasoned opinion ahead of Fabege AB's 2012 Annual General Meeting

On 29 September 2011, Fabege announced that a Nominating Committee had been formed with representatives of the largest shareholders, who had accepted participation, in accordance with a resolution passed at the company's 2011 Annual General Meeting. The members thus appointed to the Nominating Committee were Bo Forsén (Brinova Fastigheter AB), Fredrik Grevelius (Investment AB Öresund), Eva Gottfridsdotter-Nilsson (Länsförsäkringar fondförvaltning) and Anders Rydin (SEB fonder). Bo Forsén has served as Chairman of the Nominating Committee. The four shareholder representatives jointly represented approximately 27.5 per cent of the voting rights in Fabege as per 31 January 2012.

Reasoned opinion underlying the Nominating Committee's proposal concerning the election of Directors

The proposal made by the Nominating Committee of Fabege AB (publ) concerning the nomination of Board members is based on the following reasoning. The Nominating Committee has concluded that the current Board of Directors has functioned well and that, following the proposed reduction to eight Directors, and as far as the Nominating Committee can judge, the Board will have a composition and competencies that favourably match the requirements that can be placed.

The Nominating Committee has concluded that the proposed Board of Directors, taking into account the company's business, financial position and other circumstances, has an appropriate composition for being able to meet the requirements imposed by the company's operations. In making this judgment, the Nominating Committee has particularly considered the company's strategic development, governance and control, as well as the demands that these factors place in terms of the competencies and composition of the Board of Directors.

In view of the above, the Nominating Committee has proposed re-election of Erik Paulsson as Chairman of the Board and re-election of the Directors Oscar Engelbert, Eva Eriksson, Christian Hermelin, Märtha Josefsson, Pär Nuder, Mats Qviberg, Erik Paulsson and Svante Paulsson.

The Nominating Committee has also discussed the independence of the Directors. The proposal concerning the election of Directors of Fabege satisfies the prevailing requirements in respect of the independence of Directors.

- Fees to be paid to auditors
- Resolution concerning principles for composition of the Nomination Committee

Nominating Committee's work

The Nominating Committee held two minuted meetings and maintained continuous contact between these meetings. As the basis for the Committee's work, all of the Directors were contacted, following which they gave their opinions on how the Board's work was being conducted. The Nominating Committee also met the company's Chairman of the Board, CEO and auditor to discuss the Board's composition and working methods. The discussion with the CEO focused particularly on the Arena project and the need for assistance from the Chairman of the Board. According to the CEO, the project is highly resource demanding and the assistance of the Chairman in this specific project is of the utmost importance, so that Group management in general can focus fully on the company's other business.

After having discussed the size and composition of the Board of Directors, the Nominating Committee proposes that the Board be reduced by one member to eight elected members without deputies. Following discussions with all of the Directors, the Chairman of the Board, the CEO and the auditor, the Nominating Committee has concluded that the work performed by the Board works well and that the competencies and experience of the Board members meet the requirements that can be placed.

The Nominating Committee proposes the re-election of Erik Paulsson as Chairman of the Board, and the re-election of Directors Oscar Engelbert, Eva Eriksson, Christian Hermelin, Märtha Josefsson, Pär Nuder, Mats Qviberg, Erik Paulsson and Svante Paulsson. Göte Dahlin has declined re-election.

The Nominating Committee has also discussed the independence of the Directors. The proposal concerning membership of the Fabege Board complies with all of the prevailing requirements in terms of the Directors' independence in relation to the company, company management and the company's major shareholders.

A more detailed presentation of the proposed Directors is available on the company's website, www.fabege.se (in the Appendix to Item 11 in the proposed agenda for the 2012 AGM).

With respect to the fees to be paid to Directors, the Nominating Committee proposes that fees will total SEK 2,555,000 (2,755,000), to be distributed as follows:

SEK 400,000 (400,000) to the Chairman of the Board,
SEK 200,000 (200,000) to other Directors not employed by the company,
SEK 835 000 (835,000) to Erik Paulsson as special remuneration for representing executive management in important projects – mainly Arenastaden in Solna – for the period up to the 2013 AGM, and
SEK 120,000 (120,000) as remuneration for work conducted by the Audit Committee, with the chairman receiving SEK 60,000 (60,000) and each of the two (two) members receiving SEK 30,000 (30,000).

By way of information, the registered auditing firm Deloitte AB, with Svante Forsberg as auditor-in-charge, was elected at the 2009 Annual General Meeting for the period until the Annual General Meeting 2013. Due to this, there is no need to elect auditors at the 2012 Annual General Meeting. Furthermore, the Nominating Committee proposes, as in the past, that the AGM resolve that remuneration to auditors shall be paid according to approved invoicing.

The Committee proposes unchanged principles governing its composition prior to the 2013 AGM, whereby the Nominating Committee shall consist primarily of one representative from each of the four major shareholders and that the composition of the Nominating Committee must be announced no later than six months prior to the AGM and that the Committee chairman will be the member who represents that largest shareholder.
