### Peer Group Allocation

GRESB assigns a Predefined Peer Group based on the entity's characteristics to ensure consistency for all participants.

Participants also have the option to create a Customized Peer Group. You can read more about the functionality [here](#). The Customized Peer Group insights are limited to the ranking displayed above and do not impact other section of the Benchmark Report in 2025. Please note that neither the Predefined Peer Group nor the Customized Peer Group impacts the overall GRESB Score.

Please check the [Reference Guide](#) for more information.
