# Faberge acquires an additional development property in Flemingsberg

**Faberge has acquired part of Generatorn 2 from Skanska for SEK 60m.**

The acquired part is today undeveloped and will be developed for commercial purposes. Closing will take place after the zoning plan and building regulations have become legally binding.

- *"We are pleased that we had the opportunity to acquire the land from Skanska. Through the acquisition, we have the opportunity to get started with the development of Flemingsberg faster, which is very pleasing. We are also looking forward to continue good cooperation with the municipality of Huddinge and with our neighbours in the area", says Christian Hermelin, CEO Faberge*
